

India s Rise as an Asian Power: Nation, Neighborhood, and Region (Paperback)

Filesize: 2.69 MB

Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

(Prof. Erin Larson I)

INDIA S RISE AS AN ASIAN POWER: NATION, NEIGHBORHOOD, AND REGION (PAPERBACK)

Georgetown University Press, United States, 2014. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book. India s Rise as an Asian Power examines India s rise to power and the obstacles it faces in the context of domestic governance and security, relationships and security issues with its South Asian neighbors, and international relations in the wider Asian region. Instead of a straight-line projection based on traditional measures of power such as population size, economic growth rates, and military spending, Sandy Gordon s nuanced view of India s rise focuses on the need of any rising power to develop the means to deal with challenges in its domestic, neighborhood (South Asia), and regional (continental) spheres. Terrorism, insurgency, border disputes, and water conflict and shortages are examples of some of India s domestic and regional challenges. Gordon argues that before it can assume the mantle of a genuine Asian power or world power, India must improve its governance and security; otherwise, its economic growth and human development will continue to be hindered and its vulnerabilities may be exploited by competitors in its South Asian neighborhood or the wider region. This book will appeal to students and scholars of India and South Asia, security studies, foreign policy, and comparative politics, as well as country and regional specialists.
