Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This volume presents the fruits of an extended dialogue among American and Chinese philosophers concerning the relations between virtue ethics and the Confucian tradition. Based on recent advances in English-language scholarship on and translation of Confucian philosophy, the book demonstrates that cross-tradition stimulus, challenge, and learning are now eminently possible. Anyone interested in the role of virtue in contemporary moral philosophy, in Chinese thought, or in the future possibilities for cross-tradition philosophizing will find much to engage with in the twenty essays collected here.
