Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

The average labor cost of swedging these bars is about 5 cents a joint. The handling of the bars to and from the cars, interest on the investment, etc., will run this up to about 15 cents a joint. These reclaimed joints are fairly smooth and are used on branch line main tracks in many cases with resawed rail, where a very heavy slow freight movement but no fast passenger movement is handled. UNCLE SAM S VENTURE IN RAILWAY CONSTRUCTION The government is building a line across glaciers, through canyons and on mountain slopes to reach the interior of Alaska, i land of the midnight sun. DIRECTOR GENERAL HINES has sprung somewhat of a surprise on the railroad corporation executives and the engineering and operating officers, many of whom have been expressing concern that their roads were not being properly maintained, by taking the position that the Railroad Administration is up to its contract obligations in respect of maintenance and issuing orders intended to avoid the danger of the government spending more for maintenance than is required by its contract to return the properties in substantially as good repair and substantially as complete equipment as they were when taken over on January 1, 1918. For the month of June he issued instructions...
