Reviews

This publication is definitely not effortless to get going on looking at but really exciting to read through. It really is rally intriguing throgh looking at time period. Its been written in an remarkably straightforward way which is just soon after i finished reading through this book where basically altered me, change the way i think.

STILL BLEEDING

Paperback. Book Condition: New. Not Signed; Life is priceless - but death is worth even more. A blistering, high-concept novel from the new King of Crime. Sarah Pepper is dead: killed by her boyfriend in a drunken rage. He's confessed, but can't remember exactly where he dumped her body. The police appeal to the public for help finding Sarah's remains. They're looking for a field with a wooden gate, an empty bottle of vodka by the roadside. She will be partly concealed beneath a hedge. Shocked by the news, Alex Connor travels halfway round the world. He's coming home determined to say goodbye to Sarah, the friend who helped him through his darkest days. When he arrives, however, he finds only a mystery. The field has been located, but using the information provided by the police, someone else has got there first. Sarah's body has been taken. On the other side of the country, a killer is preying on young women. When a girl called Rebecca Wingate vanishes, Detective Paul Kearney knows they only have a week to find her - before her body turns up, drained slowly and completely of blood. Kearney seemingly gets a break when a man is caught and confesses - but Rebecca's body isn't where it should be. In their hunt to find the living and the dead, Kearney and Alex are drawn together into a sinister world of death fetish and 'murderabilia', where relics and mementos of killers are traded, and life is only the first thing a victim will lose. book.
