

College Admissions Together: It Takes a Family (Paperback)

By Steven Roy Goodman, Andrea Leiman

Capital Books (VA), United States, 2007. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. College Admissions Together is more than a practical how to get into college book, though it does explain key aspects of today s college admissions process for both parents and students. It is also a guide to healthy family relationships during the college admissions process. This invaluable book looks at the often stressful process of finding the right college for your child not as an ordeal but as an opportunity to bond as a family and to give your child safe passage to adulthood as he or she determines which colleges are the best fit. In College Admissions Together, educational consultant Steve Goodman and family psychologist Andrea Leiman help parents recognize that what makes the college admissions process a potential danger zone for families is the combination of the teen s growing independence and the parent s need to help him or her make critical decisions for the future. They answer difficult questions like how to stay involved in the process while allowing your child to make more choices. They help you put the college admissions process into the context...
