Referring to this famous quote, this report examined how the upcoming trend can be implemented in the US consumers mind, so that the consumer behaviour is sustainably changed. In order to give advice the report follows three mayor steps. First the cultural framework of the United States was briefly analysed by help of Hofstede's five dimensions model. Second was a short study of the trend itself and the mayor aspects, which are important for an implementation of the trend. Last step was adaptation of the US consumers behaviour to the trend in order to detect the key factors a company should cover with their product. Based on this set of action were developed and recommendations for companies evolved. 20 pp. Englisch.
