Laboratorium Us Sr, United States, 2011. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. \*\*Articles: \* Notions of Love in Polyamory Elements in a Discourse on Multiple Loving, Christian Klesse (in English). Polyamory stands for a particular relationship philosophy, according to which it is valid and desirable to love more than one person. Love, intimacy, commitment, honesty, equality, reciprocity, integrity and communication are the central values attached to this love style, relationship orientation or ethical approach to consensual non-monogamy. The author analyses popular publications on polyamory and personal narratives generated in qualitative in-depth interviews with primarily bisexual-identified polyamorous men and women in the UK with the aim of discerning salient features in the discourse of poly love. The article locates polyamory in a conjuncture of specific developments regarding (romantic) love practices in the 20th and 21st centuries. \* When I Enter the Elevator of My House, I Already Feel Like I am at Work Borders between Work and Not-Work in Network Marketing, Nataliya Savelieva (in Russian). This article considers the reasons for and the mechanisms of the erosion of boundaries between work and not-work in multi-level direct-sales organizations. It is...
