On July 9, 1755, British and colonial troops under the command of General Edward Braddock suffered a crushing defeat to French and Native American enemy forces in Ohio Country. Known as the Battle of the Monongahela, the loss altered the trajectory of the Seven Years War in America, escalating the fighting and shifting the balance of power. An unprecedented rout of a modern and powerful British army by a predominantly Indian force, Monongahela shocked the colonial world and planted the first seeds of an independent American consciousness. The culmination of a failed attempt to capture Fort Duquesne from the French, Braddock's Defeat was a pivotal moment in American and world history. While the defeat is often blamed on blundering and arrogance on the part of General Braddock who was wounded in battle and died the next day David Preston's gripping new work argues that such a claim diminishes the victory that Indian and French forces won by their superior discipline and leadership. In fact the French Canadian officer Captain Beaujeu had greater tactical skill, reconnaissance, and execution, and his Indian...
