John Hunt Publishing, United Kingdom, 2010. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book. I am Brahman is an inspired quest into the heart of the non-dual reality. This deeply personal journey discovers the essentials in religion, science and art which all point to the Advaitin truth that consciousness itself is the basis of all existence. This short but visceral journey includes mystical experiences in India and goes deeper than ever before to describe what it is like to experience Brahman, the great Oneness of which we are a part. Rather than just another descriptive book about non-duality I am Brahman takes wings and carries the reader from the banks of the Ganges into the poetry of the soul. Here is what science has been looking for and the theology to unite all faiths. Maurice Anslow s book pulls together the searchings of a lifetime and deserves to become a modern spiritual classic.
