BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. FBI agent Cameron Daggett has for years been on the trail of an international triggerman responsible for planting at least two nearly undetectable explosive devices on airplanes. When a strange murder takes place in a Seattle aircraft training installation, Daggett suspects that his nemesis is involved. The man who was murdered was a specialist in training pilots to fly the Duhning 959-600 a new breed of ultra-sophisticated aircraft and he was killed in a Duhning flight simulator. Was the killer trying to be taught to pilot one of these super jets? How is this connected to Daggett s recent discovery of sophisticated altitude detonators? Is Anthony Kort Daggett s prey about to strike again? Using the most intricate and complex forensic techniques, the aerodynamic and technical principles that make monster jets stay aloft, and sheer cop s reasoning Daggett picks up Kort s trail. He is joined by forensic experts, aerodynamic engineers, and criminal psychologists but it comes down to Daggett and Daggett alone to see the pattern in the seemingly endless technical detail, and stop a tragedy before it takes...
