The practicability of school work among adult foreigners in immigrant camps has been recognized by Pennsylvania and New Jersey and is being considered by the New York Assembly. A primer v.hich she was engaged in revising at the time of her death will be of great assistance to such an educational system. One of its notable features is the pictorial representation of common objects used by the laborers. These pictures are numbered and whether the pupil be Pole or Italian he can recognize the object and learn that number 16 is a shovel. The words which indicate danger calls and various orders about their work also find a place. The value of this movement suggested by Mr. Hall s sympathetic interpretation was the one Miss Moore most prized. She was confident there must take place all over the country just such a change in mutual attitude before there could be any interchange of benefit. To this end nothing was too great or too small.
