Lessons in Investing (Paperback)

By Tony Pow

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has many lessons grouped in related sections. Each lesson is written as concisely as possible leaving some theory and reference tables in the Appendix. I listed my recent successes in the Highlight section. If you do not respect the author, you will not learn from his/her book. They are real trades and can be verified. Next you have to find your risk tolerance. Some lessons have higher profit potential but they may be riskier. The average loss of the last two major market plunges is about 45 , hence the section on Market Timing has extensive discussion with 9 lessons. I have a simple technique without charts to exit and reenter the market. Many lessons use free sites for finding and analyzing stocks. We should take advantage of researches provided by them. However, I also provide you details in evaluating stocks: Fundamental Analysis, Intangible Analysis, Qualitative Analysis and Technical Analysis. There are many tips on order prices, stop loss, selling shorts, diversification, covered calls, taxes and trade plan. Do not fall in love...
