It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.IT WOULD be hazardous for anyone to attempt to predict the future of the United States, Great Britain or any of the great nations of today, but one who knows his Bible can predict, in considerable detail, the future of the Jewish people. From beginning to end, this people has had its history already written, and in our day its movements furnish a key with which we may unlock the meaning of world events. Who now doubts that the World War was fought to open the way for the Jew to return to the Holy Land, after long centuries of absence from home? Who doubts that the Great War marked the beginning of the end of the times of the Gentiles? The political world is in a state of utter confusion today. The economic world is a hopeless tangle. Rulers and statesmen in every nation are puzzled and fearful, making a desperate effort to be optimistic. In the midst of all this confusion and uncertainty, we find the Jewish question occupying the front pages of the papers day after day, and in diplomatic circles and halls of government, men are debating over the question of what is to be done about the Jew. Some insist that the Jew is the cause of all humanity's ills, and give themselves vigorously to the work of spreading propaganda that must ultimately result in open persecution and bloodshed. There are Christians who seem to understand prophecy as teaching that we may expect the Jew, in this age, to enslave the Gentiles and gain a stranglehold upon all nations. There is a pitifully small number who seek to expose the fantastic stories...
