AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Meeting Ma at is currently the only book of its kind in the field. It provides a logical context, a proper historical background, and detailed instructions relevant to replacing a dependence on Robert s Rules of Order with the Rules of African Consensus. The former is based on a competitive, adversarial model, while African Consensus decision-making is based on cooperation, collaboration and participatory consent in group decision-making. Meeting Ma at is the seminal African-centered guide for conducting meetings and gatherings. It is conducive for solid group decision-making and for moving the agenda along to its conclusion.
