GLOBAL WARMING - SOCIAL STORY-POEMS: SEEDS OF NEEDS - THE URGENCY OF NOW IN AN AGE OF CHANGE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Melanie Wichlein (illustrator). 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.All the short story-poems relate to Global Warming, but in this project mainly to the social effects coming from the same connected causes. You will hear two voices in this book, one of them is yours. Seeds of Needs is about how we, as people, of our countries, of our world, as mums and dads are being prevented and held back from achieving the needed changes to save our planet from policies and actions that block any progress towards a more democratic and social care in our world. This book is about how everybody everywhere, desires and needs social change; so it's about the voice of the 99 of humanity. But to be fair and bring a little balance, we include equal space to the voice of the 1 : the makers and controllers of policies that rule our world. Nothing except strong directed human emotion, personal and collective, will produce enough energy and impulse to affect and maintain a change in our social and world circumstance - in the time we need it most. This book is about this emotion. We've been informed by our own scientists that our planet speed heats , and that climate change is already under way. We've also been told that unless we have dramatic social change within our societies and turn away from capitalism and its destructive variations, then it will be civilization collapse. The people in charge of world policies obviously know what's in store. They have seemingly decided on a certain course of action; sadly a world democratic socialism and livable planet is obviously not the choice they made....
