Its members are scientists, artists, inventors, people with special talents disposed to leave a common life to work in the background. Becoming a Legionnaire could be either a honour or a curse. This is the story of River who comes across the Secret Legion at the age of 18. It is the tale of his most important and dangerous mission which will involve his family, his best friend, and some Legionnaires coming from the past to foil a threat unknown to the rest of the world. This is the first of five books about the Secret Legion s members.

Reviews

A whole new eBook with a new point of view. It can be rally fascinating through studying period of time. I am delighted to explain how this is actually the finest book i have read through during my very own life and could be he best publication for at any time.
