John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Dancing in the Footsteps of Eve: Retrieving the Healing Gift of the Sacred Feminine for the Human Family Through Myth and Mysticism, Heather Mendel, "Dancing In The Footsteps of Eve" is multi-layered odyssey of transition based on the mystical Four Worlds of kabbalah - Intuition, Intellect, Emotion and Action - animating the Mystic, the Student, the Dreamer and the Humanitarian within. Their interaction reveals an evolving image of Divinity, constantly present and continually changing, as ancient as Judaism and contemporary as the moment. "Exodus", more than a biblical book, emerges as the archetypal hero's journey. As children of Israel, we are encouraged to continue towards the promised land of our own spiritual maturity. The potential for balance, reconciliation and compassionate connection awaits the evolving human family.
