Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, When Hitler Stole Pink Rabbit (New edition), Judith Kerr, Partly autobiographical, this is first of the internationally acclaimed trilogy by Judith Kerr telling the unforgettable story of a Jewish family fleeing from Germany at the start of the Second World War Suppose your country began to change. Suppose that without your noticing, it became dangerous for some people to live in Germany any longer. Suppose you found, to your complete surprise, that your own father was one of those people. That is what happened to Anna in 1933. She was nine years old when it began, too busy with her schoolwork and tobogganning to take much notice of political posters, but out of them glared the face of Adolf Hitler, the man who would soon change the whole of Europe - starting with her own small life. Anna suddenly found things moving too fast for her to understand. One day, her father was unaccountably missing. Then she herself and her brother Max were being rushed by their mother, in alarming secrecy, away from everything they knew - home and schoolmates and well-loved toys - right out of Germany.
