Even for today s most tech-savvy parents, managing kids technology use is a huge challenge fraught with uncertainties. What kinds (and amounts) of screen time boost learning and development--and what kinds may be harmful? When is the right age for a game console or a smartphone? How can kids and teens be protected from cyberbullying and learn to be good digital citizens? What impact do parents technology habits have? In her busy psychiatry practice--and while raising her own kids--Jodi Gold sees every day both the mind-boggling benefits and the serious downsides of technology.
