

## Exploring the Transfiguration Story (Paperback)

By John M Perry, John Michael Perry

ROWMAN LITTLEFIELD, United States, 1993. Paperback. Book Condition: New. 212 x 137 mm. Language: English . Brand New Book. In this concise study, John Perry enables the reader to see that the Transfiguration story does not recount an actual event, but was created to teach an important symbolic lesson about the Risen Jesus. To that end, he explains: (1) the conflict within the early church that called the story into being; (2) the nature of midrash and the role that it played in the formation of the story. Perry then considers why Mark, the writer of the first Gospel, decided to modify the Transfiguration story known to him and use it in his Gospel. Finally, answers are provided for 12 questions frequently prompted by contemporary readings of this story. These answers shed considerable light on the way the early church went about the task of preserving and interpreting the sacred history of Jesus.
