Getting Children off their computers and into the yard with Pets We at the Hawaii Pet Show believe in Unplugging our kids by teaching them how to play with their pets outside in the sun. A child with a pet is a special person, they learn how to take care of something other than themselves. Unlike a Dog or a Cat, we teach children of Hawaii how to maintain alternative pets. Pigeons, Chickens, Rabbits, Reptiles and Fish is just a few mainstream pets the general public knows. This book just showcases our 2014 Spring event. The main event Hawaii Pet Show hosts is our June event held at Ewa Elementary School on Renton Road. We have a Pigeon Show, Chicken Show, Fish Show, Rabbit and Reptile Show, Small animal and Small cage bird display. Food Trucks and Ewa Seed feeds our awesome guests. Ewa Craft Fair and Keiki Zone will entertain the families that follow our animal hobbyist. The idea of having a Pet Show started when Hawaii experienced a Earthquake that lead to a Statewide blackout. My children didn't know what to do. They were Unplugged and puzzled how to have fun outside of the house. That was my fault! I took it upon myself that I will include them in my hobby of caring for animals. My wife and I are activist for promotion of every child should have a pet during their childhood. We love to share our passion about our pets and this book is a small glimpse of what we do. Enjoy the book and please share the message of Getting kids off their computers and into the yard with pets!...
