On its own, the OPTN can impose certain sanctions against noncompliant transplant programs, such as issuing a letter of warning or placing a program on probation. The OPTN can also request that the Secretary of Health and Human Services impose stronger enforcement actions, including terminating a programs ability to receive organs or reimbursement under Medicare. The OPTN contract with HRSA includes several requirements related to HRSA's Oversight of the the oversight of transplant programs. For example, the contract requires OPTN the OPTN to conduct on-site reviews of heart, liver, and lung transplant programs at least once every 3 years and to perform ongoing analyses of 18 organ allocations. The OPTN is also required to submit monthly reports to HRSA describing transplant program-specific instances of noncompliance with OPTN policies and the status of corrective action plans. To ensure that the OPTN is fulfilling...
