

1862: Fredericksburg: A New Look at a Bitter Civil War Battle (Hardback)

Filesize: 1.3 MB

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Prof. Greg Herzog)

1862: FREDERICKSBURG: A NEW LOOK AT A BITTER CIVIL WAR BATTLE (HARDBACK)

National Geographic Society, United States, 2011. Hardback. Book Condition: New. 277 x 224 mm. Language: English . Brand New Book. Through National Geographic's heart-stopping you-are-there reenactment photography and in-depth research and reporting, readers will be transported back to this key episode in our nation's history. Considered Lee's most one-sided victory of the war, Fredericksburg was a significant turning point in the Civil War. 1862 takes a new look at the battle and provides readers with a unique perspective on what the war meant to non-combatants and particularly to blacks on the cusp of freedom. This extraordinary coverage is made possible by newly discovered primary sources, including a never-before-known slave diary. From death, injury, and despair to victory and the trials of post-war life, the 1862 battle of Fredericksburg changed a town and a nation forever. As the newest installment in the New Look series, this fresh, new historical book is timed to coincide with the beginning of the 150th anniversary of the Civil War and will complement school curriculums in fifth and eighth grades. National Geographic supports K-12 educators with ELA Common Core Resources. Visit for more information.
