Questions include: Do we want to stay in our current home or move closer to our children or parents? Do we want to live somewhere new and exciting? What family responsibilities do we need to consider such as providing caregiving to our parents or caring for children living at home? Considering our personal finances, what are our options? If we change our residence, what medical care would be available? To make responsible and sound decisions, we need to be well-informed. When You Get Older, Where Will You Live? offers a practical and creative guide that focuses on important factors such as your values and priorities, housing choices, family matters, finances, healthcare, and employment opportunities.
