*Complete guide! Its such a great study. I am quite late in start reading this one, but better then never.  
It is extremely difficult to leave it before concluding, once you begin to read the book.

Congress, during its last session, voted the cession of these lands to the Indians. On simple fare, we will climb the hills of every clime, while fair women look with wonder at our exploits. We will visit Otreece, sail across the main, and stroke our horses manes as we ride over the route of the ten thousand, while the fragrance of the wild thyme, which we have pulled up by the root, will all the time console us for our troubles. LESSON 20. His attendants accepted the assistance of the fisher to ensure his safety down the descent. The patients bore the pain with patience, though I saw it in every lineament of their features. LESSON 32. Botany treats of the principal facts of plant-life. It tells where and how plants grow. It classifies them, and shows their structure and the functions of their parts. The study of botany is best commenced with the careful observation of the different...
