By Karen Gunstream

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.Discover God Together was first designed for and now is being used by Christians who are stepping in obedience into Jesus command and commission to make disciples. It equips disciple-makers with an actual plan to meet weekly with one new believer and dialogue together about the real Christian life they have both committed to. It is the what-next after initial evangelism and it is geared for the priesthood of all believers. Discover God together is different from descriptive and defining books regarding discipleship in that it provides what to talk about and enough needed direction for each week a discipler meets with a person he/she is discipling rather than laying the foundational need from scripture about what discipling is or should be. Likewise, it is not so much a how-to book but a do-this book with the goal of modeling talking about God. Also, Discover God together differs from workbook style Bible studies or devotionals in that its goal is to equip and guide people in moving forward from knowledge alone to actual relationship with God and others....
