Tuttle Publishing, United States, 2014. Paperback. Book Condition: New. Reprint. 200 x 130 mm. Language: English . Brand New Book. As members of a tiny ethnic minority in Indonesia--the world's largest Islamic nation--Chinese-Indonesian women face hurdles of race and gender that others would find insurmountable. In *Breaking Barriers*, author Aimee Dawis profiles nine highly accomplished women who have overcome these obstacles and thrived. In this book you'll meet: an Olympic gold medalist a world-class concert pianist a media mogul and style icon Plus six other extraordinary personalities in the worlds of business, science, sports, politics and the arts. In these profiles, Dawis shows us how Chinese-Indonesian women serve the needs of family and community while carving out a strong and independent role for themselves in their chosen fields through determination, a belief in their ability and strong pride in their ethnic roots. These Asian women may be members of a minority group, but their stories provide inspiration for future generations of Chinese-Indonesian women, and women everywhere.
