

American Wars (Paperback)

By Paul Buchheit

Clarity Press, United States, 2008. Paperback. Book Condition: New. 216 x 144 mm. Language: English Brand New Book. When many Americans hear that the US may go to war against another nation, they tend to believe there s probably a good reason for it or that no viable alternatives existor they don t think about it at all. They trust their leaders to represent them and defend their values. They accept their leaders claims that war is to ensure their safety when others wish to harm them. The parties of war play on Americans basic values to bring them online. The media reassures them that the reasons for war are altruistic that Americans wish to spread democracy and allow others to adopt their way of life. But is this the case? With 24 compelling illustrations, maps and graphs, this book is intended to serve as a tool for peace advocacy. Well known peace advocates respond to 19 of the most common illusions held by the American public which weaken their opposition to Washington s wars. The American way of war offers a nonstop supply of illusions-while imposing horrific realities far away and, ultimately, at home too. This book is intent...

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Prof. Greg Herzog**

The most effective publication i ever go through. It really is writter in simple phrases and not hard to understand. I am just easily will get a satisfaction of looking at a written publication.
