Or perhaps it has some sense, and some purpose? According to numerology, each year, month and day has a theme, and a place in the grand plan of life. This comprehensive and inspirational book will teach you how to discover your own grand plan easily. All you need to know is your date of birth and a simple set of rules. There are five steps in the book's journey: Personal Years. Life goes in cycles of 9 years, each one begins with the year 1 and ends with the year 9; each is associated with a theme, or a lesson we need to learn, and years with the same number unfold in a similar manner. Once you know the pattern, you'll notice that something new always comes into your life during the year 1, and you'll see how that new theme goes through the same phases until it culminates in year 8. Personal Months. Personal years consist of personal months; each of them associated with a number too; it is much easier to notice the energy of a personal month than a whole year, and use it to your advantage. Personal Days. Personal days are the level of the numeric pattern where our free will has the most influence. This is where, through our actions and decisions, we can tune into the pattern and make it work more clearly and distinctly. Pinnacles. The nine-year periods of personal years are called epicycles, but there is a higher-level pattern called pinnacles that helps us to see our whole life as a succession of major steps. Challenges. A challenge is...
