

Organizational Theory and Inquiry: The Paradigm Revolution

By -

Sage Publications (CA). Paperback. Book Condition: New. Paperback. 231 pages. Dimensions: 8.4in. x 5.9in. x 0.6in. The transition from viewing organizations as bureaucracies towards seeing them in metaphoric terms is a contemporary break with past organizational theory. But to investigate the similarities between real organizations and the metaphors describing their functions and context, a shift in both methods of inquiry and organizational theory must take place. This volume explores the paradigm shift at three levels: an overview of historical roots; an explication of terminology, metaphors and constructs; and the practical application of these new organizational inquiry methods, especially for actual research practices and policy analysis applications.
