Excerpt: . . . 11 Now, according to William Evans, who wrote Bio Markers, seniors who remain independent and are able to care for themselves at home just 1 month longer save the government millions. It would seem reasonable to conclude that prevention, therefore, is less costly than disability treatment. Fortunately for me, the existence of the Idaho State Senior Games and its sponsors, along with the National Senior Games Association, the NSGA, have helped me with the availability of accessible competition. I do remember back in 1948 when the World Olympics were activated again after World War II that it was very difficult for myself as an individual to even try out in any preliminaries. In 1993, because there was Senior Game help, when I began my first Senior Game competition, opportunity was made very accessible and I was...
