Kensington Publishing, United States, 2016. Paperback. Book Condition: New. Reprint. 171 x 105 mm. Language: English . Brand New Book. The Greatest Western Writers Of The 21st Century Into a lawless town rode a hero named John Henry Sixkiller. Only William W. Johnstone with J. A. Johnstone could tell a tale of violence and vengeance so real, so raw, it outdoes the legends of Old West justice that inspired it. On The American Frontier, History Is Written By Bullets It was there for the taking: \$75,000 in gold bullion, the combined payrolls of three productive gold mines, just waiting to be stolen from under the noses of a bickering sheriff and city marshal. Billy Ray Gilmore and his band of kill-crazy outlaws have a plan to do it, too--that is, until Sixkiller comes to town. Hiding his badge to conceal his identity as a U.S. marshal, Sixkiller goes undercover to smoke out the culprits before they strike. But in this town full of two-legged rattlesnakes, deadly surprises lurk behind every saloon door. To keep from being bitten, Sixkiller will have to lay a few traps of his own. Lucky for him, what this town lacks in law, it makes up for in guns--and dynamite.
