Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you need to ACE your Exams in College, High School, or for your Professional certification? Students of any age are familiar with those unpleasant pre-exam jitters which I call, Study Anxiety. You have an Exam coming up and you ask yourself the big question, Where do I even begin? Maybe you re experiencing the same issues that I did: inability to pay attention in class and a lack of focus on the given topic? I started writing this book over 25 years ago, which was almost a quarter of a century until I was diagnosed with ADD, or Attention Deficit Disorder (similar to ADHD, but without the Hyperactivity component). However, in my College days, I knew I had to fight hard against the foggy brain that I was battling to absorb so much class work. Then, in an agonizing attempt to prepare for a Midterm exam, it all just came together for me, and I found a way to methodically trick my brain into helping me as opposed to hindering me, and I was playing on it s strengths. Whether or not you are ADD/ADHD, or if you just want a system to push your grades higher, my proven method will boost your confidence, as well as your grades! The techniques I will teach you in When in Doubt, Write it Out will stick with you long after you ve used them to ace your exams. One personal favor that I am asking of you: Please contact me and let me know your before and after scores, as well as how my program has changed your life. I put my heart and my soul into this book,...
